## FROM THE ASSOCIATION MEETING

**PICK IT UP AND SPRAY... YOU ARE BEING WATCHED**

**Everyone who has a pet**, dog, cat, bird, must register your pet (s) in the office. This includes a picture. If pets are found wandering the park and can't be matched to an owner, they will be sent to the shelter

**If you want to use the Craft Room** for a class, please contact Rose Klopatek. Your class needs to be put on the calendar, so it doesn't interfere with another class. There are already several classes on the calendar. And please be mindful of other projects in the Craft Room.

**Fiesta's webpage** is up and running. If anyone has more current pictures of the park, please send them to Patti in the office. The page will include pictures, activities list, newsletters, and any planned outages. If there is anything you would like to see on the website, let Patti know.

**Most of the renovations are complete.** The Lounge, poker room, and library is complete. The Ballroom is almost done. The floor is being varnished as you read this. The HVAC system has been redone. We have been asked NOT to put anything on the walls. If you feel you need to post something, see Patti first. Everything looks fantastic. Patti announced all buildings inside and out will have security cameras installed. There has been some theft, and she hopes this will discourage this from happening. Also, the gates around the pool are being locked as there have been some unwanted outside guests coming into the pool area.

**If you are signing up to help clean up** after an event, the Association has decided the first 4 people who sign up will receive free entry to that event. Whoever is the coordinator of that event will decide when clean-up is done, either that night or the next morning. Also, Sheila Blonshine oversees Decorations only, she is NOT in charge of Decorating. So, if you are coordinating an event, you will need someone to oversee decorating the event as well. Sheila will make sure you know where the decorations are and what your budget is if you need more.

**There are lots of books** in the library, please take as many as you would like. It is not necessary to leave a book as well. If you borrow a puzzle, please make sure all the pieces come back.

We need a Coordinator for the New Years Eve Party. Call the Activities Director, Denise Emory, at 928-278-9479 if you would like to volunteer for this fun event. Also, we need a coordinator for next year's Halloween Party. (2024)
